Modular Shared Power Bank with 1-6 Charging Cabinets

Modular Design
Charging Cabinets: 1/2/3/4/5/6
Batteries: 4/8/12/16/20/24
Network: 4G, GSM

5000mAh Battery
Power Input: 5V 1.5A
Power Output: 5V 2A
Charge: Lightning, Type-C, Micro USB

Main Features:

· Flexible modular structure composed of Communication Top Box and Charging Cabinets, supporting up to 6 layers of cabinets

· Two types of Communication Top Box for options (with or without screen)

· Complete App & Backend development to kickstart your business

· Support Paypal, Stripe payment and mainstream Credit Cards (Google Pay and Apple Pay optional)

· 5000mAh Battery with Micro, Type-C and Lightning charging lines

· Designed with one Control Button, Multi-color Battery Indicator and Voice Prompts, easy to charge

· Multiple protections: Flame-retardant ABS Material, Over Temperature Protection, Battery Overdischarge Protection, Dual Hardware Protection, Drop Protection
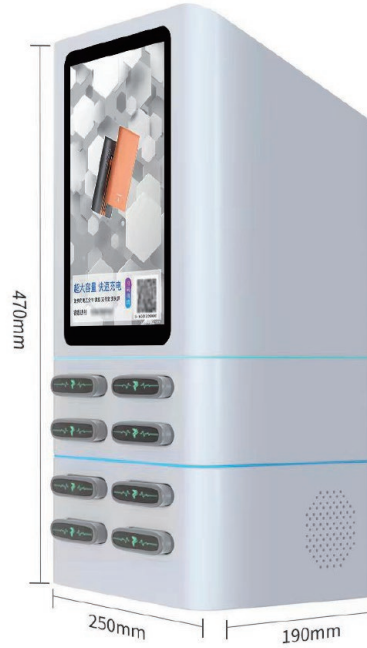

Product Models:

Polypack B (no screen)

Dimension: 250mm*190mm*277mm
Gross Weight: 4.36kg
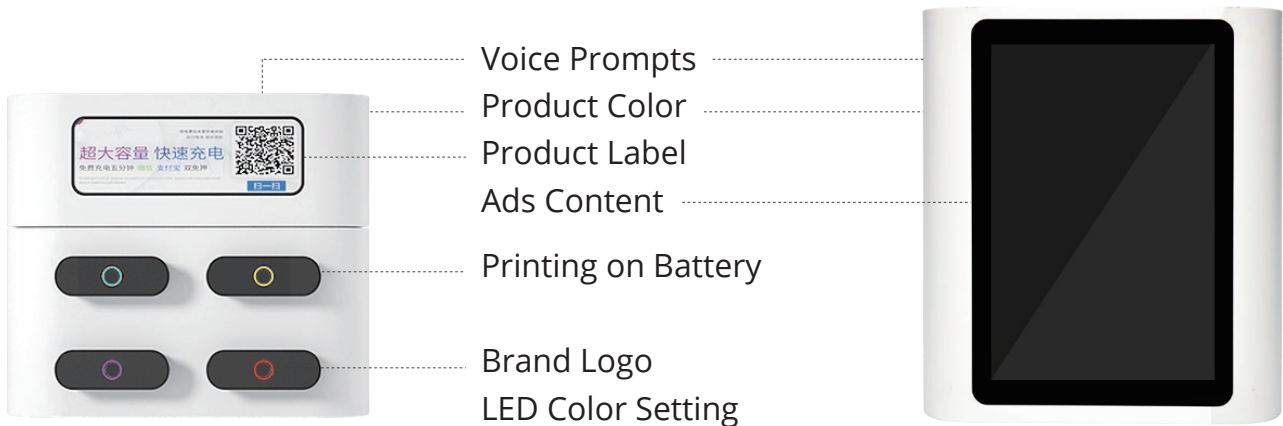

Battery
Dimension: 142mm*73mm*19mm
Net Weight: 0.15kg

470mm

Specification:

Host Machine	
Voltage Input	220V AC
Power Output	5V 2A (Maximum output of single charging slot)
Network	4G, GSM
Speaker	Built-in speaker for voice prompts
Antenna	Built-in
Power Consumption	Maximum 60W
Material	V0 Flame-retardant ABS
Operating Temp.	10°C~35°C
Accessory	Power cord
Warranty	12 months

Battery	
Voltage Output	5V
Current Output	Maximum 2A
Voltage Input	5V
Current Input	Maximum 1.5A
Charging Ports	Lightning, Type-C, Micro USB
Power Capacity	5000mAh
Rated Capacity	3000mAh
Button	1 x Control Button
LED	1 x 7-color Breathing Battery Indicator (customized) Red: 0%~5% / Pink: 6%~20% / Yellow: 21%~60% / Green: 61%~100%
Warranty	12 months
